DELTA®-CLEAN U-DEGREASER 40

Article number: 08405785

The DELTA®-CLEAN U-DEGREASER 40 is a fluid, slightly acid spray cleander for industrial applications with excellent effect on very greasy and pigment-containing contaminations as happen with lubrication grease.It is to be used for zinc die casting, stainless steel, non-ferrous metals as well as iron and steel. Regarding the two last mentioned, you might encounter a slight dark coloration.The DELTA®-CLEAN U-DEGREASER 40 is not for cleaning parts made of magnesium.Liquid, weakly acidic and well demulsifying cleaner. The product has a brightening effect on aluminium and non-ferrous metals. Foam-free above 50 °C.
